Notice is hereby given that a public hearing will be held on Tuesday, June 7, 2016, at 8:00 p.m. at Victor J. Andrew High School, Auditorium, 9001 West 171st Street, Tinley Park, Illinois 60487, (the "Public Hearing"), in regard to the proposed designation of a redevelopment project area (the "Redevelopment Project Area"), and the proposed approval of a redevelopment plan and project (the "Redevelopment Plan and Project") in relation thereto, for the proposed Tinley Park Legacy Tax Increment Financing District (the "Legacy TIF District"), pursuant to the provisions of the "Tax Increment Allocation Redevelopment Act," 65 ILCS 5/11-74.4-1 et seq., as amended (the "TIF Act").

The boundaries of the Redevelopment Project Area for the proposed Legacy TIF District are more fully set forth on the legal description attached hereto as Exhibit "1" and made part hereof and the street location map attached hereto as Exhibit "2" and made part hereof.

The proposed Redevelopment Plan and Project provides for land acquisition and assembly, improvements to the public infrastructure within the proposed Redevelopment Project Area and for the Village of Tinley Park (the "Village") to implement a set of actions to promote redevelopment within the proposed Redevelopment Project Area. The contemplated Village actions include, but are not limited to: encouraging redevelopment agreements; providing public infrastructure improvements; encouraging the high-quality appearance of buildings, rights-of-way and open spaces, and encouraging high standards of design; strengthening the economic well being of the Redevelopment Project Area and the Village by increasing business activity, tax base and job opportunities; assembling land into parcels of sufficient shape and size for disposition and redevelopment in accordance with the Redevelopment Plan and Project and contemporary development needs and standards; stimulating private investment in appropriate new construction and redevelopment; providing needed public improvements or facilities in proper relationship to the projected demand for such facilities and in accordance with present-day design standards for such facilities; providing needed incentives to encourage a broad range of improvements; providing for the clean-up of hazardous waste, hazardous substances or underground storage tanks required by State or federal law, where these are a material impediment to the development or redevelopment of the Redevelopment Project Area; addressing flooding problems or stormwater management problems that exist and those that may develop as a result of redevelopment; improving the visual attractiveness of the Village through landscaping and coordination of design in the Redevelopment Project Area; and improving opportunities for commercial, industrial and residential development and redevelopment. The Village would realize the goals and objectives of the Redevelopment Plan and Project through public finance techniques including, but not limited to, tax increment allocation financing.
