Dear Mr. Mayor, As you know Paul McCartney will be playing at The First Midwest Bank not one but two nights this week. May I suggest we somehow get in touch with his people and honor him with a key to the city? This is a once in a lifetime chance to touch his heart and show him how much he means to the people of our great town. We all know what he means to the world but if we reach out to him maybe just maybe he will take time out of his busy schedule to receive this honor. It's at least worth a shot don't you think? Paul isn't just a music icon he's been a great humanitarian for decades and that alone should be reason to let him know how we feel about him. He's traveling the world on his tour, let's make this a memorable stop for him. What do you say? As a long time resident (I even went to school at Fernway with the Bettenhausen Boys in the mid 60's) I would take great pride in being part of this celebration (and you can have a photo op). Again,lets not let this chance pass us by . Thank you for your time on this matter. Sincerely, Steve Medel. Tinley Park,IL

Mayor Vandenberg,

Following up to our conversation yesterday, I would just like to confirm that you have approved for us to extend our alcohol vending operation into the lawn area, just for the Paul McCartney shows tonight and tomorrow.

Please confirm and advise if there are any concerns on your end.

Thank you,
Brian
